

# Urban League of NWI Young Professional

## Purpose & Mission

The Urban League Young Professionals of Northwest Indiana is the volunteer auxiliary group to the NWI Urban League. We target young professionals between the ages of 21-40 to empower their communities and change lives through the Urban League movement.

The NWI Urban League Young Professionals seek to support young professionals throughout NWI by promoting community engagement, healthy personal and professional lifestyles, and strategies that create financial self-sufficiency.

We fulfill this mission by providing leadership opportunities, professional/personal development, networking events, social action meetings, and community service activities.
